

# GLOBES

By Bryan Sperry

Sperry's Globe "Recycled Evolution" was shown in front of the Field Museum during the summer of 2007 and is currently on tour throughout the United States: Now in San Francisco the globe is soon to be heading to San Diego then Denver.

Bryan's mini Globe was selected to be shown at the United Nations in New York and is currently at the Kennedy Center for the Performing Arts in Washington DC., in the Hall of Nations.

Bryan has also made 2 globes for a Private collector in Chicago, "Recycled Evolution II and Wire World". "Wire World was based on Phil's Company, Basic cable & Wire.
